**STATEMENT OF FACTS FOR PETITION PURSUANT TO 37 C.F.R. § 1.47(a)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

The following is a statement of facts surrounding the refusal of inventor Al Uzumcu to join in the present application.

1. I am currently employed by Robert Bosch Corporation as an Intellectual Property Administrator and Patent Agent.
2. In my capacity as Intellectual Property Administrator and Patent Agent for Robert Bosch Corporation, I am responsible for obtaining signatures from inventors for patent applications that are assigned to Credo Technology Corporation, which is under common ownership with respect to Robert Bosch Corporation.
3. The last known address for inventor Al Uzumcu is 376 W. Sycamore Street, Vernon Hills, IL 60061.
4. On May 27, 2004, a Declaration and Power of Attorney form for the above-identified patent application was sent under my direction by Administrative Specialist Debra Sykes to inventor Uzumcu.
5. The Declaration and Power of Attorney form was sent by First Class U.S. Mail to inventor Uzumcu at the last known address listed above.
6. The Declaration and Power of Attorney form was received by inventor Uzumcu as confirmed in our phone conversation of September 15, 2004.
7. After not receiving a signed Declaration and Power of Attorney form from inventor Uzumcu, a second Declaration and Power of Attorney form was sent under my

direction by Administrative Specialist Debra Sykes by U.S. Certified Mail on July 8, 2004 to inventor Uzumcu at the last known address listed above.

8. The second Declaration and Power of Attorney form was received by Jennifer Uzumcu, the wife of inventor Uzumcu, at the last known address for inventor Uzumcu, as indicated by a U.S. Certified Mail return postcard which is stamped July 13, 2004 and was received by me on shortly after this date.

9. After not receiving the second Declaration and Power of Attorney form from inventor Uzumcu, I contacted inventor Uzumcu by telephone on September 15, 2004 to discuss obtaining his signature on the Declaration and Power of Attorney form.

10. Inventor Uzumcu left me a voice mail message on September 15, 2004 in which he stated that "...in the meantime, when that happened, I took all those files you sent, threw 'em in the garbage."

11. On September 16, 2004, I was present for a telephone conversation between Chief Counsel Intellectual Property Warren Comstock and inventor Uzumcu. Mr. Comstock indicated that inventor Uzumcu stated that he would not cooperate with our request to sign and return the Declaration and Power of Attorney form for the present application.

12. Based upon the circumstances described above, I believe that inventor Uzumcu has indicated a refusal to cooperate in the present application.

13. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and made with the knowledge that willful, false statements are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.
